

Announce Results of GOP Central Committee Voting

The 68th Assembly District will have its full complement of the Republican Central Committee as a result of the election by write-in votes of Barbara S. Bell, San Pedro; Frank S. Solover, Torrance; and Duwayne O. Larson, Wilmington, at the June 3 state primary, it was announced Tuesday night at the 68th District Republican Assembly meeting held in Smith Bros. Fish Shanty, on Pacific Coast Highway, Torrance.

The 68th District is entitled to seven seats on the Central Committee, but only four filled. Elected are incumbents Mrs. Jean W. Haley, San Pedro; Filinton A. Hix, San Pedro; Lloyd

A. Menyeg, Wilmington; and Stephen M. Cope, Wilmington. Mrs. Bell is prominent in Republican and women's activities in San Pedro. Solover, executive secretary of the Harbor Area Employers' Council, is organizer of the Torrance Republican Club out of which grew the reorganization of the 68th District Republican Assembly. He also serves the Republican Assembly as secretary. Larson is one of the owners of Wilmington Hardware Co., and has been an active Republican worker in that community for years.

Robert H. (Bob) Finch, Republican candidate for Congress from 17th Congressional District, was guest speaker at the Republican Assembly meeting Tuesday night.

New Culligan Branch Opens

Culligan Soft Water Service has moved into its new headquarters for the Torrance-Gardena area at 1020 W. 164th St., in order to give customers of this area better and more complete service, it was announced yesterday.

Culligan Service, which has operated here for the past seven years from a Gardena office, has the "last word" in modern, efficient equipment at its new location. The capacity of the new plant is four times greater than that of the old one, with provision for expansion to meet the growing demands in the next 10 years, it was stated.

Visit of X-Ray Units Due Later This Month

X-ray unit of the Los Angeles County Health Department will move into this area the latter part of this month in order that residents may obtain their annual chest x-ray, according to Dr. Roy O. Gilbert, county health officer.

Specific locations and dates when the unit will be in this community will be announced when plans have been completed, Dr. Gilbert said.

Animal Rabies Cases Show Big Increase Here

Animal rabies cases in Los Angeles County since the first of the year now total 61 as against 24 cases for the entire year of 1951. Dr. Roy O. Gilbert, County Health Officer, said yesterday.

The disease has occurred this year in 51 dogs, 5 cats, 3 gophers, 1 cow, and 1 weasel. These communities reporting 3 or more cases each are Inglewood, Downey, Compton, Whittier,

Temple City, El Monte and Lakeview. Occurrence of animal rabies has followed its usual pattern of extending from the southern part of the County up through the central sections and eastern sections. For some unexplained reason, the disease does not usually occur to any extent in the

Nine

western part of the County. Rabies disease is always fatal to either humans or animals. State health department authorities believe that the present number of cases in Los Angeles County indicates the probability of animal rabies becoming widespread throughout the State within the next few years. Pasture treatment has been given to more than 300 persons.

Shortcuts to summer meals

TABLE-READY MEATS from SAFEWAY

Appetizing meals at a moment's notice are no trick at all when you use cold cuts. They're meat in its most convenient form—ready to serve, ready to eat. And so good, too.
